PROFESSIONAL SUMMARY

As a third-year student majoring in Cyber Security and with a background in web development, I am eager to leverage my academic foundation and hands-on experiences in a professional setting. Throughout my academic journey, I have cultivated a strong understanding of cyber security principles, and my coursework has equipped me with practical knowledge in web development using HTML, CSS, and JavaScript.

As a third-year student, I am dedicated to staying abreast of the latest developments in the cyber security field. My coursework and personal projects reflect my continuous efforts to expand my knowledge and skill set, ensuring that I am well-prepared to tackle the dynamic nature of cyber threats.

My strengths include a keen analytical mindset, meticulous attention to detail, and the ability to excel in fast-paced environments. While I may not have years of professional experience, I bring a fresh perspective, enthusiasm, and a strong desire to contribute to the ever-evolving field of cyber security.

I am confident that my academic background, coupled with my practical experiences, positions me as a valuable asset to your team. I am eager to apply my skills, learn from seasoned professionals, and contribute to the success of your organization. I look forward to the opportunity to discuss how my unique blend of education and hands-on experiences aligns with the needs of your team.
